FULVIO DE SIMONI

Fulvio De Simoni is an Italian yacht designer renowned for his elegant and timeless design language. His studio specializes in the exterior and interior design of luxury yachts, combining aesthetics, functionality, and innovation. He has collaborated with some of the world's leading shipyards on numerous award-winning projects.

"There are many first boats: the first one you worked on while learning, the first one in your own studio, and the first one you built on your own."
